- slobodno smijete:**
  - dijeliti — umnožavati, distribuirati i javnosti priopćavati djelo
  - remiksirati — prerađivati djelo
- pod slijedećim uvjetima:**
  - **imenovanje.** Morate priznati i označiti autorstvo djela na način kako je specificirao autor ili davatelj licence (ali ne način koji bi sugerirao da Vi ili Vaše korištenje njegova djela imate njegovu izravnu podršku).
  - **nekomercijalno.** Ovo djelo ne smijete koristiti u komercijalne svrhe.
  - **dijeli pod istim uvjetima.** Ako ovo djelo izmijenite, preoblikujete ili stvarate koristeći ga, preradu možete distribuirati samo pod licencom koja je ista ili slična ovoj.

U slučaju daljnog korištenja ili distribuiranja morate drugima jasno dati do znanja licencne uvjete ovog djela. Najbolji način da to učinite je linkom na ovu internetsku stranicu.

Od svakog od gornjih uvjeta moguće je odstupiti, ako dobijete dopuštenje nositelja autorskog prava.

Ništa u ovoj licenci ne narušava ili ograničava autorova moralna prava.

Tekst licence preuzet je s <http://creativecommons.org/>.

- ili koristite Google

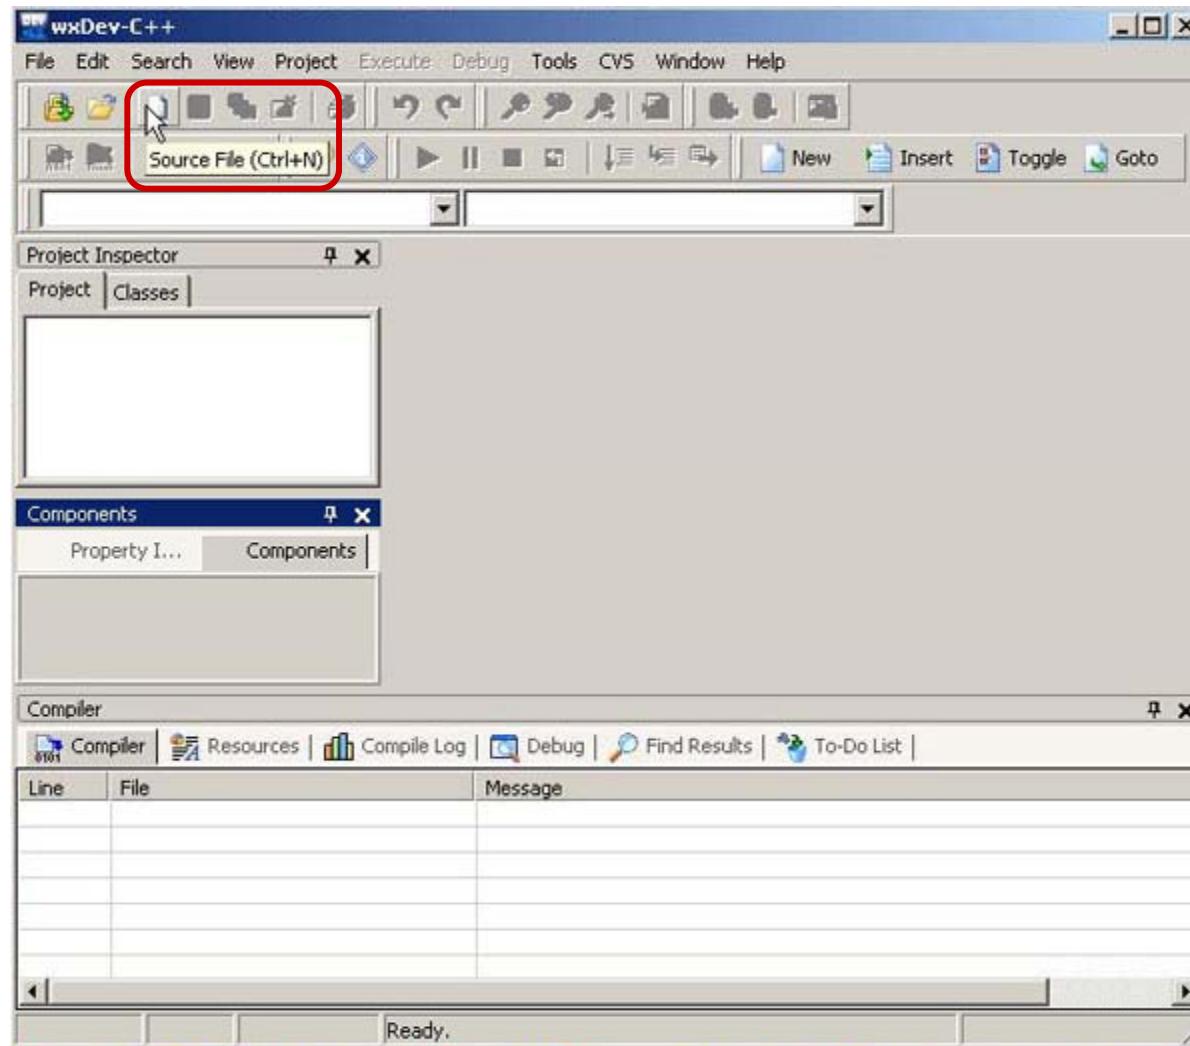

A screenshot of a Google search results page. The search bar at the top contains the query "wxdevcpp". Below the search bar, the text "Pretraživanje" is displayed in red. To its right, the text "Oko 268.000 rezultata (0,24 sek)" is shown. A red arrow points from the search bar down to the first search result. The result is titled "wxDev-C++" in blue, followed by the URL "wxdsgn.sourceforge.net/" and the description "Prevedi ovu stranicu". Below the URL, the date "7 Jun 2008" and the text "Delphi like Dialog Designer for wxWidgets. [Open source, LGPL]" are visible.

# Pokretanje programa wxDev-C++

# Kreiranje nove .c datoteke

---

# Pisanje koda prvog C programa

The screenshot shows the wxDev-C++ integrated development environment. The main window title is "wxDev-C++ - [ Untitled1 ]". The toolbar at the top has a "Save (Ctrl+S)" button highlighted with a red rectangle. The central workspace contains the following C code:

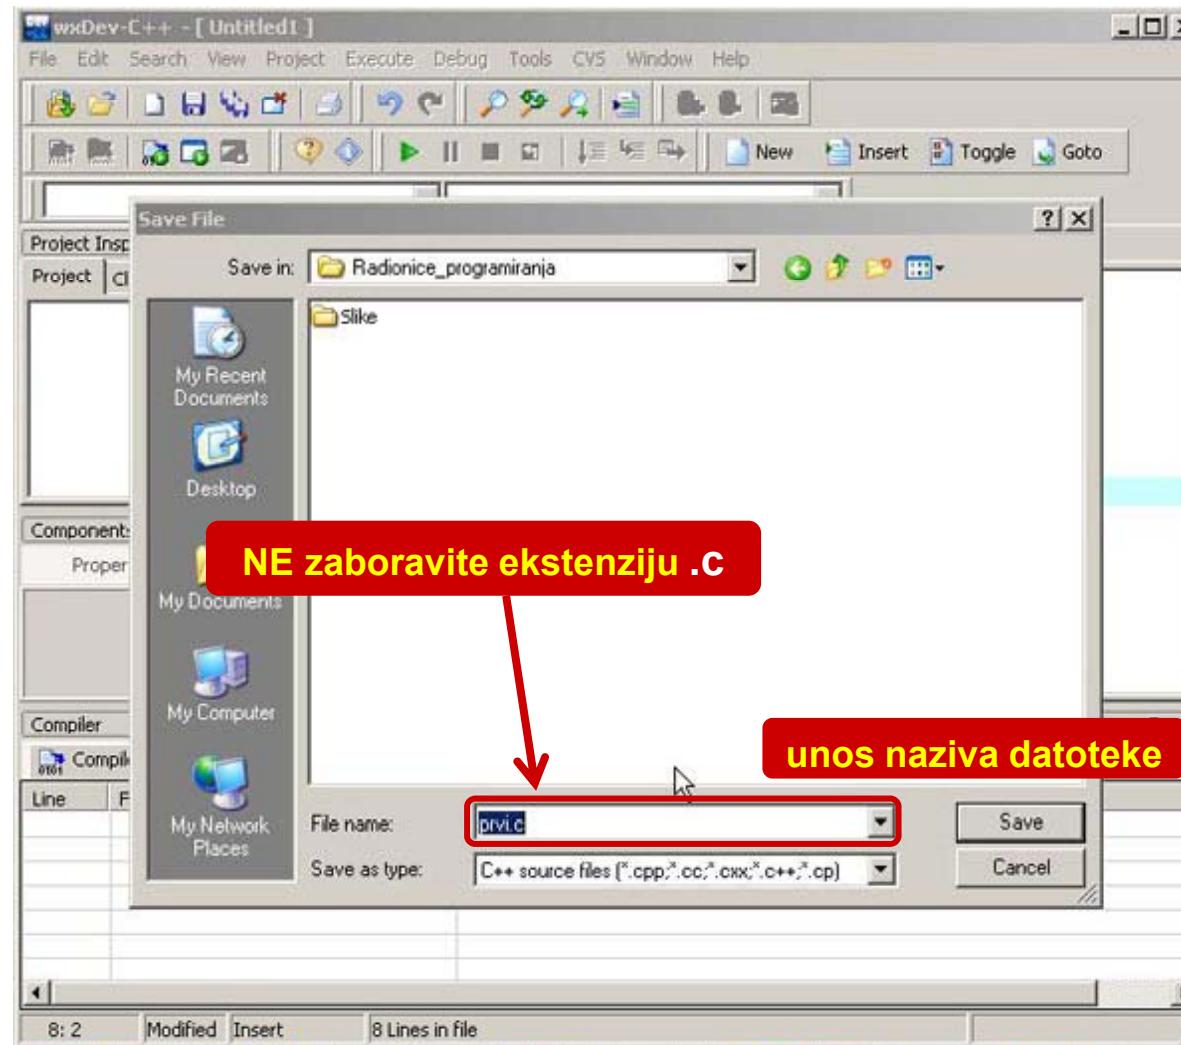

```
#include<stdio.h>

int main(){
    printf("Moj prvi C program.\n");

    system("pause");
    return 0;
}
```

A red callout box points to the code with the text "pisanje izvornog koda programa". The interface includes a "Project Inspector" panel on the left, a "Components" panel below it, and a "Compiler" panel at the bottom.

# Spremanje .c datoteke

# Prevođenje i pokretanje programa

The screenshot shows the wxDev-C++ IDE interface. The title bar reads "wxDev-C++ - [ Untitled1 ]". The menu bar includes File, Edit, Search, View, Project, Execute, Debug, Tools, CVS, Window, and Help. The toolbar has various icons, with the "Compile & Run (F9)" icon highlighted by a red box. The "Project Inspector" panel shows a "Project" tab. The main code editor window displays the following C code:

```
#include<stdio.h>

int main(){
    printf("Moj prvi C program.\n");

    system("pause");
    return 0;
}
```

The status bar at the bottom indicates "Compilation successful; Compilation took 2 seconds".

# Prevođenje i pokretanje programa
